#### Printed colors & sequence

1	Pantone Cool Gray 8 C	2	Pantone 285 C	3	White	4	Pantone 200 C
5	Pantone 288 C	6	Réserve De Satinage Windows Etching				

#### Non printed colors

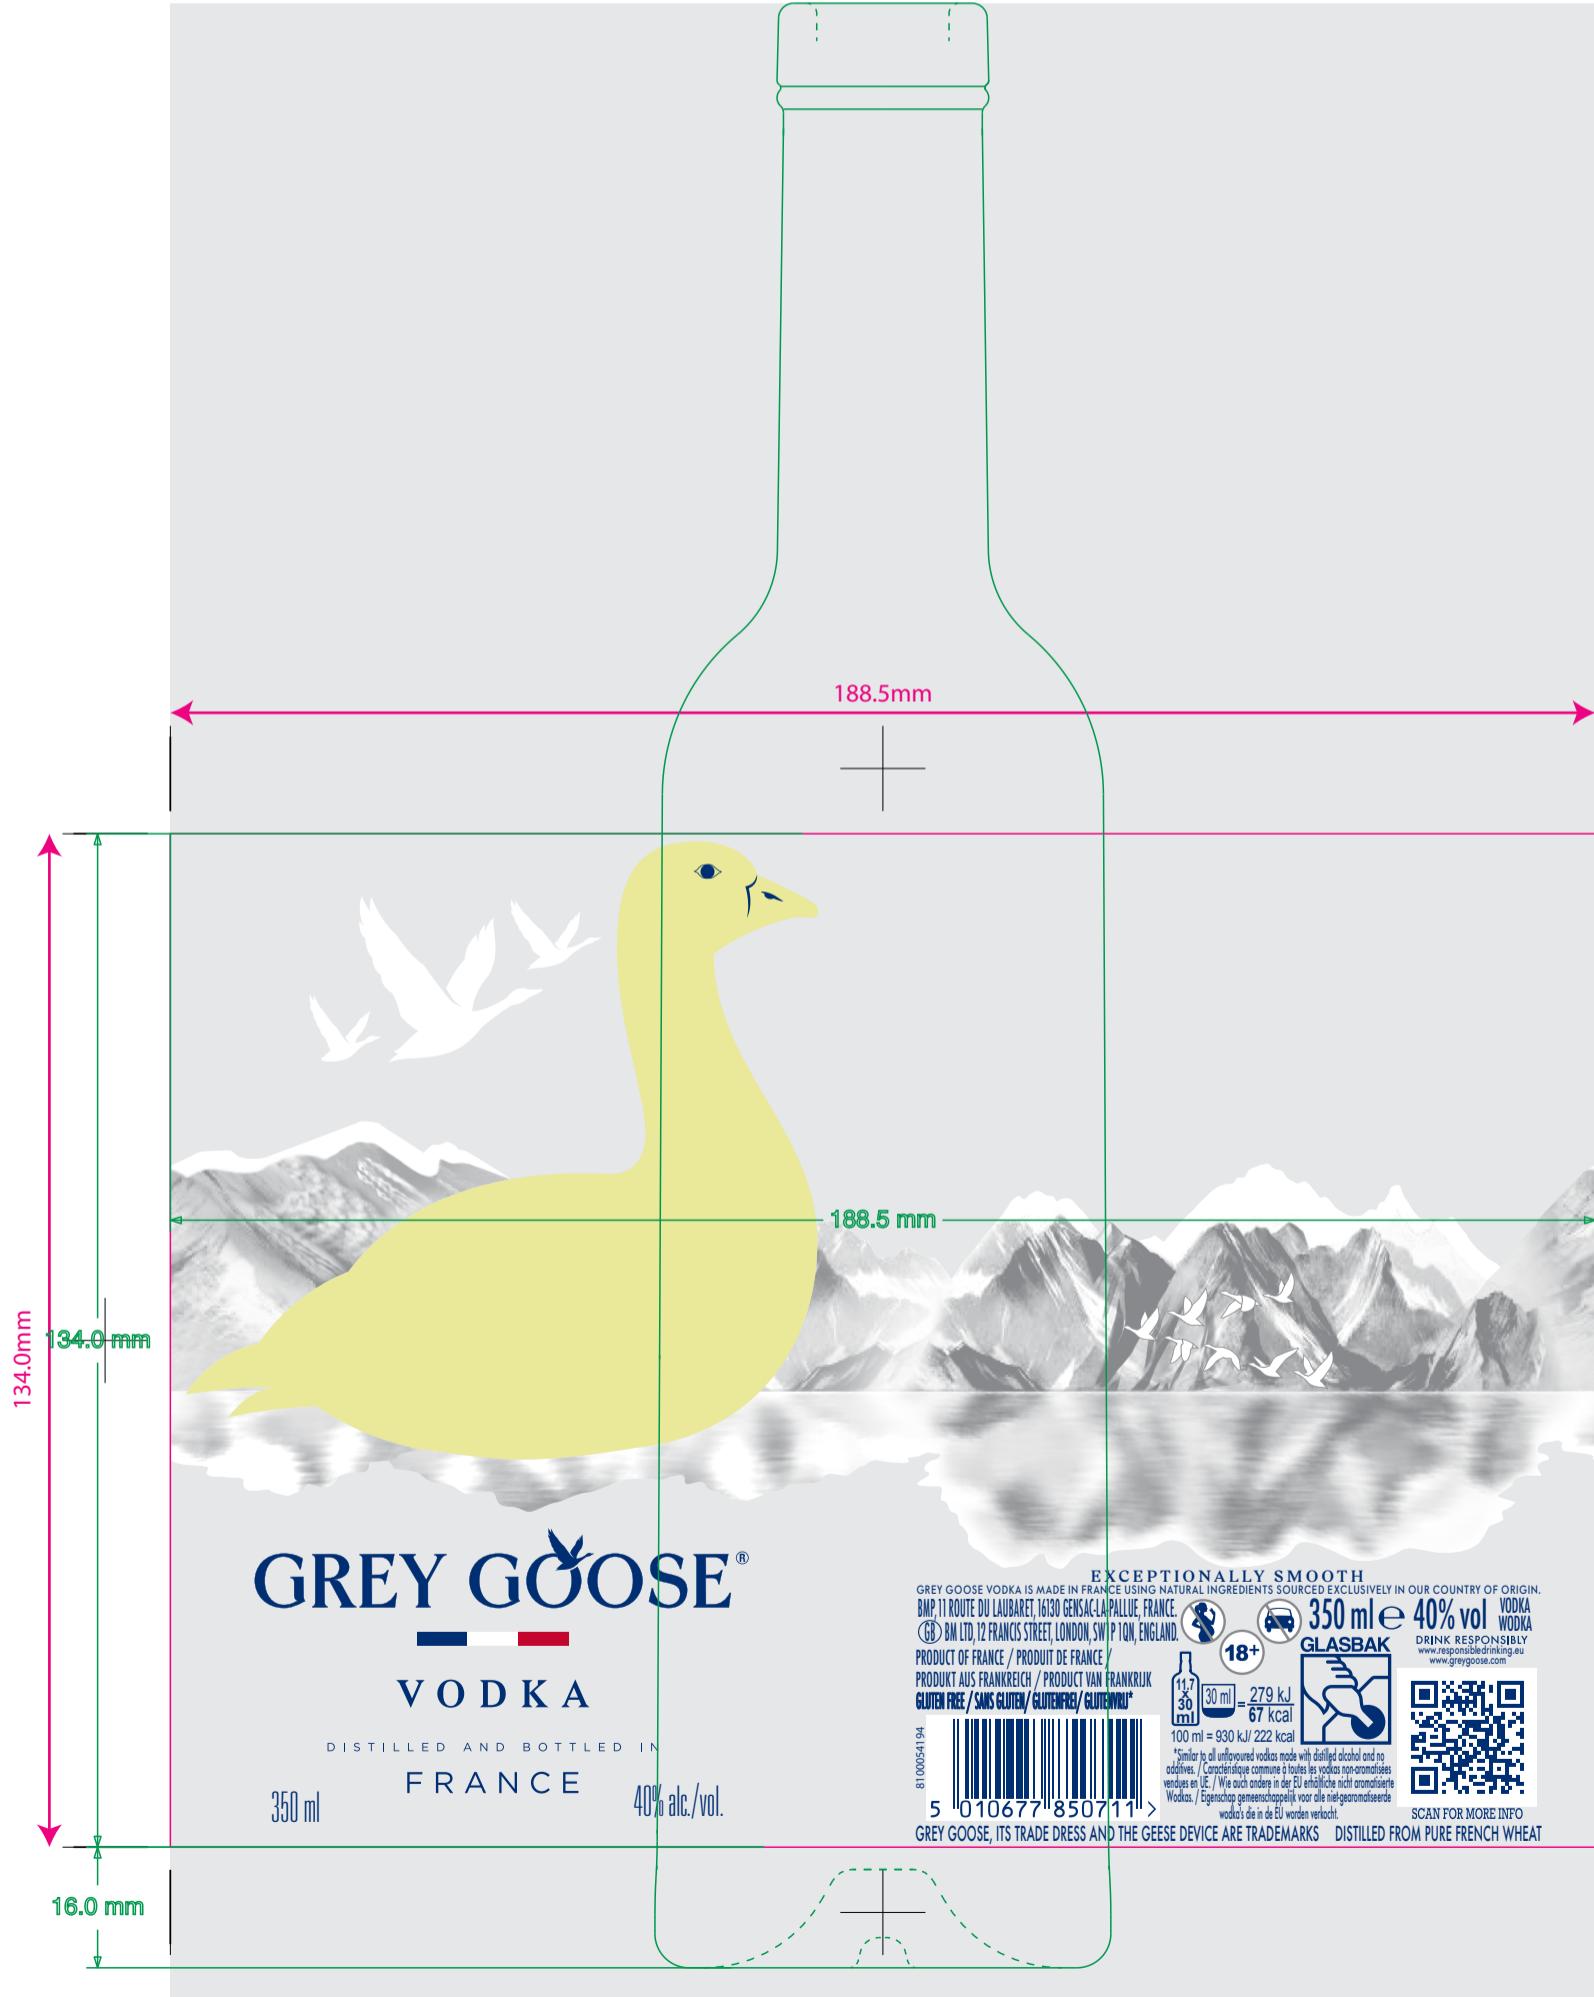

Cutter	Cutter Info	Acid Etching
--------	-------------	--------------

#### POINTS TO NOTE

1. Printer to confirm barcode requirements once allocated. Currently set at UPC-A 80% magnification and 0 BWR.
2. Please confirm Pantone 285 C left as per start art but not used in artwork.
3. Logos left as per start art. Please confirm.
4. Please confirm white separations on logos.
5. The "Gluten free....." sentence is moving in PDF while comparing with client PDF due to some font issue in that, But it is correct in Illustrator.

#### TRN COMPLIANCE

1. The tick box opposite indicates the cap height of any legal copy meets the 2mm minimum required legal height
2. The tick box opposite indicates the height of any logos on the artwork meet the minimum required legal height

WHITE SEPARATION SHOWN @ 100%
